## Education

---

### Wilfrid Laurier University

*Bachelor of Business Administration*

- **GPA:** 10.8/12.0 (3.88/4.00)

**Waterloo, Ontario**

Graduation: April 2023

## Work & Leadership Experience

---

### Waterloo Residence Council

*Vice President of Operations, King's Court Residence*

**Waterloo, Ontario**

Sep 2019 – Apr 2020

- Allocated the residential budget by providing an estimate of how much to spend on an event, the amount spent was determined on the number of events and how important each one was
- Created excel spreadsheets to record how much was spent on each event and who spent the money so we could reimburse members accurately
- Facilitated 4 residential events throughout the term and ensured that each event had enough food, drinks, and activities for the attending students

### Aiesec

*Team Leader, Outgoing Global Volunteer*

**Waterloo, Ontario**

Sep 2019 – Dec 2019

- Pitched to classes of over 200 students in a clear and concise manner to explain what Aiesec is and the international opportunities it offers in approximately 1 minute
- Attended several meetings to discuss strategies on how to contact potential clients and give them a detailed review of what their tasks are abroad if they accept Aiesec's offer

### Ontario Badminton Academy

*Assistant Coach*

**Markham, Ontario**

Jul 2018 – Aug 2018

- Lead groups of 10-13 students through physical training such as footwork drills and technical skill training such as how to clear and smash with accuracy
- Organized dynamic and static stretching routines to ensure protection and safety for students

### Badminton Ontario

*High-Performance Provincial Athlete*

**Markham, Ontario**

Nov 2016 – Mar 2018

- Capable of making strategic decisions in high-pressure environment
- Demonstrated commitment and time management when following a consistent training regime of 15 hours a week for at least 5 days a week
- Learned how to adapt to fast paced environments through in-game experience
- Developed a tenacious mindset through various training camps which ultimately improved player performance
